

“STUDENT RIGHT TO KNOW ACT”

En diciembre de 1995, el Departamento de Educación de los Estados Unidos, publicó la reglamentación necesaria para implantar la ley conocida como “Student Right to Know Act” (SRKA). Esta ley exige que las instituciones postsecundarias que participan de los programas de asistencia económica de Título IV, recopilen, publiquen y divulguen información referente a las tasas de graduación.

Tasas de Graduación

Aquí podrás acceder las tasas de graduación según divulgadas en el *Graduation Rates Survey (GRS)* del *Integrated Postsecondary Education Data System (IPEDS)*.
